

Action Planning

The purposes of this assessment are to (a) determine the extent to which effective general classroom management practices are in place and (b) develop an action plan for enhancement/maintenance based on this information. This assessment and action plan can be completed as a “self-assessment” or by an observer.

1. Pick a teacher-led/directed activity that has a specific learning outcome/objective.
2. During the activity, count number of positive and negative student contacts that occur during the activity.
3. After the activity,
 - a. Sum the number of positive and negative contacts and calculate the ratio of positive to negative contacts.
 - b. Assess whether each classroom management practice was evident.
 - c. Sum the number of “yes” to determine overall classroom management score.
 - d. Based on your score, develop an action plan for enhancement/maintenance.
